Subject: We have moved our office

To whom it may concern,

After eleven years on 9144 Ironwood Way we have outgrown the space, and Kettle Point Data Cabling LLC has moved its office and warehouse to a larger building.

Effective 2 November 2026, please direct all remittances to the address below. Our telephone number and our bank details are unchanged, so nothing else needs to be updated.

Thank you for being a customer through the move; our crews are on site as usual.
